## IMPART Level 2 Open for Registrations

The International Menopause Society Professional Activity for Refresher Training (IMPART) is the first educational initiative pertaining to menopause that is internationally applicable to health care professionals working in, or with a special interest in, midlife women's health. It is aligned with the International Menopause Society's mission to work globally to promote and support access to best practice health care for women through their menopause transition and post-reproductive years, enabling them to achieve optimal health and well-being.

Level 2 of this free online course is now open for registrations. It is comprised of eight modules with topics including sexual health, cardiovascular, bone, brain, POI, breast, prescribing, and HRT after cancer.

One module will be released per month starting 18<sup>th</sup> October 2021, World Menopause Day. The modules will also be translated into Spanish, Portuguese, Chinese, Arabic, Russian and Vietnamese.

Completion of Level 1 is a prerequisite for registration. Register by clicking here: [IMPART Level 2 \(talentlms.com\)](https://talentlms.com). Once registered, the course can also be accessed via the talentLMS app using the domain name internationalmenopausesociety.

Support for the development and translation of this course has been provided by Abbott.
