Dear Carmen

A Special Membership Offer for Members of SPOG

We hope you are well. The International Menopause Society (IMS) Board of Directors and IMS Council of Affiliated Menopause Societies (CAMS) Steering Group have agreed a special CAMS joint membership offer that could be a benefit for the members of your society. We are writing to provide information about the offer and hope that you will share this with your members.

The offer is for members of your society who are not currently members of the IMS. For their first year of IMS membership, they can register for one of the following:

- A one-year **free** Limited Professional Membership;
- 20% discount on Full Membership (£100 instead of £125); or
- 50% discount on Full Membership (£62.50 instead of £125 for those in [Low and Middle Income Countries](#) (LMIC)).

Membership of the IMS provides a wide range of benefits. Full Members receive: a subscription to the printed magazine Climacteric as well as online access, a reduced registration fee for the World Congress on Menopause, free attendance at the pre-Congress workshop, voting rights with the IMS, members-only access to educational content on our website, early registration for online events, plus access to Menopause Live and Our Menopause World. Limited Professional Members are granted access to the members-only educational content on our website, as well as Menopause Live and Our Menopause World. They can also take advantage of early registration for online events. A full overview of all membership levels and benefits can be found on the [IMS website](#).

We hope as many of your members as possible will take advantage of this special membership offer so they can become more actively engaged in the work of the IMS and CAMS, taking advantage of the fantastic resources and partnership opportunities we provide. Our team will send promotional materials to you so that you can share this offer to your current members and also to help attract new members to your society.

Please contact Claire Bower, claire.bower@imsociety.org, if you have any questions about the offer, which is for one year. After the first year, renewals will be at the standard fee.
